

Model: TSV Daytime

TSVOXT11

TSVYXT12

Description:

The TSV Daytime is a series of traffic vests with 5-points tear-away characteristic that is specifically made for daytime use. It should not be used during night time. It is equipped with daytime only stripes. This series offers the choice between an orange vest with yellow-green stripes or a yellow-green vest with orange/silver/orange stripes. The vests are made of a bright polyester mesh material.
